## WE BUILD YOUR BRAND

FROM SKETCH TO LIVE, TO COMMUNICATE WHO YOU ARE.

We provide creative solutions that cover everything from corporate design/identity through graphic design to web development and a whole host of other marketing needs which expresses your business's brand personality and sets you apart from the competition.

# CHOOSE **BEST DESIGN** FOR BETTER SOLUTION

● TYPOGRAPHY

● CREATIVE

● ARTISTIC

● EFFECTIVE DESIGN

● PRINT PERFECT

Our professional graphic design team can help you to achieve an original look and feel for your business to have a positive impact. The solutions that we can deliver are endless—from high-end, luxury designs that exude distinction, to fresh and playful new looks that capture vibrancy and youthful style.

In many ways, print is the ideal marketing medium: it's available in both large and small numbers and sizes, can be accessed easily, and is engaging, versatile and creative. All branded content is print-appropriate and gives a boost to any campaign.

- Brochures
- Letterhead

## CREATE YOUR **EVENT**

A MEMORABLE AND EFFECTIVE EXPERIENCE WITH US.

Our aim is to meet your marketing objectives to the fullest and thus exceed your expectations. We translate the concept of your event into a memorable and effective experience, using the accurate mix of creative, technical and logistical elements.

## PURE PHOTOGRAPHY

Our Creative team include talented Professional Photographers with great experience in Pixel Perfect Photography . Every Product when photographed perfectly can always boost a fresh feeling to your customers.

ABC offers CUT to SHAPE graphics for display panels, self supporting 3-dimensional displays and POS displays with Metals, MDF, Glass and Acrylic. Cardboard engineered products also lend themselves perfectly to exhibition usage. Our point-of-sale materials can really help draw attention to your products and boost sales at retail.

We believe every individual has a social responsibility to reduce environmental impact, It is a global challenge. We contribute to the society by selling eco-friendly products which replace plastic bags with reusable jute bags.

Our Mission is -"Carry a natural choice and spread the fragrances of eco- friendliness". We welcome you to join us to search for a new idea to become greener because it is now the high time to do our own share in protecting earth and her wonderful creatures.

# Carry a Natural Choice

We provide a complete and comprehensive suite of web-based services. Our staff of multimedia specialists will create a compelling design for your web site. A well designed website enhances your company's marketing activities because your website provides a showcase of everything your company has to offer placing your company's web address on everything that comes into contact with the public is a great way to enhance your marketing.
